SPECIAL THANKS TO THE FOSTER PARENTS THAT CARE FOR THE FOSTER CHILDREN IN OUR COMMUNITY

2024 was a year filled with monumental achievements for Contra Costa Foster Friends. We stayed true to our strategic vision by supporting more foster children and their caregivers than ever before. That said, we recognize that these accomplishments are shared wins, and we graciously thank our partners, donors, supporters, and volunteers who have contributed to our organization's success.

2024 HIGHLIGHTS INCLUDE:

- Caring for over **600 children** in Contra Costa County's foster care program. From monthly support groups, to four annual fun-filled social events, to loads of holiday gifts, our foster kids have been seen, heard and loved.
- **Created our Opportunity Fund**, a scholarship program to give youth in foster care the opportunity to participate in enriching extracurricular activities that are so important in building confidence and self-esteem.
- Welcoming **nearly 1200 visits** to our Resource Center - a place where everything a foster child could ever need is available at no cost.
- **Enhancing our Caregiver Support program:** added a 2nd support group, this one specifically for caregivers of teens in foster care to wrap support around families doing the critical but difficult work of fostering teens.

We look forward to continuing to further our mission of providing critical and ongoing support to foster children and their caregivers in Contra Costa County. Thank you for supporting us throughout 2024, and we hope you'll stay on this journey with us in 2025.
